

FIREWORK FEAR?

Help your pets feel safe & secure this Independence Day

Keep pets at home if attending parades or fireworks shows.

Setting off your own fireworks or using sparklers? Ask guests to be mindful around your pooch.

Play music or other white noise to mask loud noises.

Try thunder shirts or other swaddling garments.

Get your pet microchipped!
It's fast, painless, & extremely effective in ID'ing and returning pets to loved ones.

Don't hesitate to contact us for more advice or prescription options to help combat angst.
