

**LEESBURG**  
VETERINARY HOSPITAL

## Hospital Admission /Drop-Off Authorization

I am the owner of the pet named below and have the authority to sign this statement.

I authorize admittance of my pet to Leesburg Veterinary Hospital and the performance of the following procedure(s):

\_\_\_\_\_  
\_\_\_\_\_

Has your pet been given any medications today? Y N

If yes, please list medications (including doses/frequency) \_\_\_\_\_

\_\_\_\_\_

I have read and accepted the disclosures regarding hospital hours, emergency and extended care, anesthesia, and hospital payment policies **outlined on the back of this form..**

(This form will be retained in my pet's medical file)

I have received a copy of a treatment plan outlining the medical care and fees associated with my pet's admission today.

I agree to pay for my pet's treatment and care in full at the time of patient discharge.

Best time for us to call you: \_\_\_\_\_

In the event my pet(s) are admitted for supportive care, surgical procedures, boarding, grooming, or any other treatment, I authorize Leesburg Veterinary Hospital, its doctors and staff, to administer such treatments and procedures that are in the best medical and therapeutic interest of my pet. We are happy to provide you with a treatment plan outlining medical care and associated fees prior to the admission of your pet(s).

**Overnight Hospital Stay:** In the event your pet requires an overnight hospital stay for the purpose of supportive care, post-operative recovery, medical illness, or boarding, I realize that 24-hour monitoring is not available. Leesburg Veterinary Hospital hours are as follows:

Monday—Thursday	8:00AM—8:00PM
Friday	8:00AM– 7:00PM
Saturday	8:00AM– 2:00PM
Sunday	Closed

Therefore, we do not have in-house continuous medical care during overnight weekdays, from 8:00PM—8:00AM; weekends from 2:00PM Sat—8:00AM Monday; and holidays, from 8:00PM the night before the holiday to 8:00AM the day after the holiday. A doctor and technician are on call on weekends and holidays and make daily visits to the hospital at reasonable intervals or at the discretion of the doctor.

Your pet will be evaluated for stability prior to the veterinarian's departure at the end of each evening. Should your pet require continuous 24-hour care, we recommend transferring your pet to Animal Emergency Critical Care Associates at The Life Centre (TLC) in Leesburg, at the owner's expense.

**Emergency:** In the event of an emergency involving my pet during their stay at Leesburg Veterinary Hospital, I authorize the doctors and professional staff to stabilize my pet, which may include surgery and anesthesia. Every attempt will be made to reach me by phone before procedures begin.

**Anesthesia:** I understand that all anesthesia procedures involve some minimal risk to my pet. I realize that extra safety precautions, monitors, and an anesthetic nurse are present at all times in order to make the procedure as safe as possible. Having been informed of the above risks, I entrust the life and safety of my pet to the doctors of Leesburg Veterinary Hospital. I assume all risks having been informed of possible complications.

**Patient Discharge:** I understand that my pet will be discharged during the regular hospital hours listed above.

**Fees:** I agree to pay for my pet's treatment and care in full as outlined in the *Financial Responsibility Agreement* at the time of patient discharge.
