

Why Is My Pet So Itchy?

Seasonal allergies may be to blame.

Pets can suffer from seasonal allergies. If you notice any of the following symptoms, we do advise a veterinary consultation.

WHAT TO WATCH FOR:

**Itching, licking,
scratching, rubbing**

Foot licking

Face rubbing/scratching

Sneezing or coughing (cats)

**Rashes or patchy areas of
redness**

**Recurrent skin/ear
infections**

Patchy hair loss
